

The Oklahoma Energy Resources Board Champions of the Oil & Gas Industry

The Oklahoma Energy Resources Board (OERB) is passionate about our country, our resources and how they are used. They take pride in seeing skilled industry professionals go to work and want to show the world how our country is creating a new standard with innovation and technology.

Our guest this month is OERB Executive Director, Mindy Stitt. Mindy will share insights on OERB's efforts to promote STEM in our schools, educate the public on seismic activity, and advance the oil & natural gas industry through SOER workshops, ENERGYHQ.com and the annual Oklahoma Oil & Gas Expo.

Join Us! Wednesday, July 12th • 7:30 to 8:30am

Our Speaker: Mindy Stitt

Executive Director Oklahoma Energy Resources Board (OERB)

Mindy became one of the first employees of the OERB when she joined the organization in 1994. Prior to holding the position of Executive Director, she was the Assistant Director, overseeing OERB's statewide student education programs. She was previously employed by Brown and Borelli, Inc., an independent oil and natural gas company.

Mindy attended Southwestern Oklahoma State University, majoring in elementary education. Her efforts in the area of energy education awarded her the Governor's Commendation for Public Service in 1998. In 2006, Mindy was honored by The Journal Record as one of the top 50 women making a difference in the State of Oklahoma.

She is a member of the Jasmine Moran Children's Museum Board of Directors and is active in the OKC Area Salvation Army.
